Building Your Own Financial Plan

Goals

- 1. Determine how to increase net cash flows in the near future.
- 2. Determine how to increase net cash flows in the distant future.

Analysis

1. Prepare your personal cash flow statement.

Personal Cash Flow Statement

Cash Inflows	This Month
Disposable (after-tax) income	\$
Interest on deposits	\$
Dividend payments	\$
Other	\$
Total Cash Inflows	\$
Cash Outflows	
Rent/Mortgage	\$
Cable TV	\$
Electricity and water	\$

Health care insurance and expenses	\$
Clothing	\$
Car expenses (insurance, maintenance, and gas)	\$
Recreation	\$
Other	\$
Total Cash Outflows	\$
Net Cash Flows (Total Cash Inflows minus Total Cash Outflows)	

Note: You must build a positive cash flow. Your income should exceed your expenses and if not you must find a way to reduce expenses.

2. Prepare your personal balance sheet.
